2012 - 2013 ANNUAL REPORT

ARCHDIOCESE OF LOS ANGELES

PROVIDING HELP. CREATING HOPE.

For 94 years, Catholic Charities of Los Angeles has been protecting the vulnerable, providing for the poor, empowering the broken, and promoting human dignity for those in need.

In fiscal year 2012-2013, Catholic Charities opened the doors of Angel's Nest, a transitional housing program that serves young men, ages 18 through 24, who become homeless after exiting foster care. This program provides safe and stable housing for six youth at a time for up to 18 months, and assists these young adults in their pursuit of higher education, entry into the workforce, and their journey toward a healthy, productive, and self-sufficient life.

Angel's Nest helps at-risk young men to become contributing members of their communities.

Programs like Angel's Nest are an essential part of Catholic Charities'

work in Los Angeles, Ventura, and Santa Barbara counties. By providing help with nearly 900,000 services to almost 250,000 clients in fiscal year 2012-2013, the transformation from a life of despair to one of hope began for those who needed it most.

Angel's Nest represents a new start for many of the young men who participate in the program.

"Angel's Nest has given me stable housing and hope to accomplish my dream of becoming a chef."

- Pablo

"Angel's Nest has helped me reach my goal of transitioning into a young adult who will be attending Cal State Northridge."

- Matt

Dear Friends of Catholic Charities:

Catholic Charities, the social service arm of the Archdiocese of Los Angeles, addresses critical issues in our communities in Los Angeles, Ventura, and Santa Barbara Counties. One such pressing issue is immigration.

Every day, Catholic Charities helps hundreds of immigrants and refugees who are seeking a better life or fleeing persecution and violence from some of the world's most impoverished and war-torn countries. While facing the daunting path to citizenship, they also must contend with language barriers and an overwhelming fear that they may not be able to provide the most basic needs for themselves and their families. We remain dedicated to helping immigrants and refugees find peace, stability, and a renewed sense of dignity in their lives.

Respect for human rights and dignity, and the preservation of the unity of the family, are cornerstones of Catholic Charities' work. In the last year, the agency provided help and created hope for individuals and families through food pantries, child care, emergency shelters and transitional housing, services for the elderly, English as a Second Language classes, employment assistance, mentoring for youth, and after school athletics, as well as assistance for immigrants and refugees.

Let us commit ourselves to serving the homeless and the elderly, the poor and the hungry, the immigrants and the children, for in serving them, we are serving Christ.

I pray that, through the intercession of Our Lady of the Angels, Jesus may grant us the grace to act out of love for God and for our brothers and sisters.

May God grant you peace and joy,

Most Reverend José H. Gomez

Dear Friends of Catholic Charities:

On March 13, 2013, the transition of leadership in the Catholic Church from the retiring Pope Benedict to Pope Francis was completed. He is the first person from the Americas and the first Jesuit to be elected pope. The son of a railway worker, he rose to become regional superior of the Jesuit order in Argentina and then an archbishop, spending his life teaching priests and advocating for the poor. Selecting the name of Francis, he signaled to the world the themes of his papacy: humility and service to the poor.

Catholic Charities of Los Angeles is committed to serving the poor with humility. We transition people from despair to hope by providing food, shelter, counseling, job training, utility assistance, case management, youth programs, older adult services, immigration and refugee programs. Our shelters and community centers are located in the poorer areas of Los Angeles, Santa Barbara and Ventura Counties.

During the 2012 – 2013 fiscal year, Catholic Charities created a new program called Angel's Nest. This is a residential facility that provides transitional housing for young men, ages 18 through 24, who aged out of the foster care system and lack access to supportive housing. During their stay at Angel's Nest, youth will continue their education to enhance their job skills so that they can be self sufficient.

Pope Francis recently said, "Even the weakest and most vulnerable, the sick, the old, the unborn and the poor, are masterpieces of God's creation, made in his own image, destined to live forever, and deserving of the utmost reverence and respect." Catholic Charities strives to serve each "masterpiece of God" with "reverence and respect."

God bless,

Rev. Monsignor Gregory A. Cox
Executive Director
