Report of Independent Certified Public Accountants on Internal Control Over Financial Reporting and on Compliance and Other Matters Required By *Government Auditing Standards* 

Board of Trustees Catholic Charities of Los Angeles, Inc. Audit - Tax - Advisory

Grant Thornton LLP 515 South Flower Street, 7<sup>th</sup> Floor Los Angeles, CA 90071-2201 T 213.627.1717 F 213.624.6793 www.GrantThornton.com

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Catholic Charities of Los Angeles, Inc. ("Catholic Charities"), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 18, 2014.

Internal control over financial reporting

In planning and performing our audit of the financial statements, we considered Catholic Charities' internal control over financial reporting ("internal control") to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of Catholic Charities' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Catholic Charities' financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in Catholic Charities' internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and other matters

As part of obtaining reasonable assurance about whether Catholic Charities' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Intended purpose

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Catholic Charities' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities' internal control and compliance. Accordingly, this report is not suitable for any other purpose.

Report of Independent Certified Public Accountants on Compliance For Each Major Federal Program And on Internal Control Over Compliance Required By OMB Circular A-133

Board of Trustees Catholic Charities of Los Angeles, Inc.

#### Report on compliance for each major federal program

Audit - Tax - Advisory

Grant Thornton LLP 515 South Flower Street, 7<sup>th</sup> Floor Los Angeles, CA 90071-2201 T 213.627.1717 F 213.624.6793 www.GrantThornton.com

We have audited the compliance of Catholic Charities of Los Angeles, Inc. ("Catholic Charities"), with the types of compliance requirements described in the U.S. Office of Management and Budget's *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014. Catholic Charities' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to Catholic Charities' federal programs.

#### Auditor's responsibility

Our responsibility is to express an opinion on compliance for each of Catholic Charities' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

The above-mentioned standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Catholic Charities' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Catholic Charities' compliance.

Opinion on each major federal program

In our opinion, Catholic Charities' complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

#### Report on internal control over compliance

Management of Catholic Charities is responsible for designing, implementing, and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Catholic Charities' internal control over compliance with the types of compliance requirements that could have a direct and material effect on each major federal program to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Catholic Charities' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance of deficiencies, in internal control over compliance with a type of compliance of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in Catholic Charities' internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this Report on Internal Control Over Compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Catholic Charities of Los Angeles, Inc. ("Catholic Charities") as of and for the year ended June 30, 2014, and our report thereon dated November 18, 2014 expressed an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on these financial statements as a whole.

The accompanying schedule of expenditures of federal, state, county and city awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal, state, county and city awards is fairly stated, in all material respects, in relation to the financial statements as a whole.
