Providing Help, Creating Hope, Enabling Healing

2021-2022 Annual Report

ARCHDIOCESE OF LOS ANGELES

PROVIDING HELP, CREATING HOPE ENABLING HEALING

The staff of Catholic Charities of Los Angeles feel compassion toward our clients, who have been in distress more than usual, due to the consequences of the COVID-19 pandemic. Staff members' compassion is shown by their kind service to help reduce sources of the clients' stress.

Physically, many of our clients have basic needs of food, clothing and shelter. In addition to supplying those physical necessities, Catholic Charities provides caring service, helping clients reduce stress to heal emotionally, mentally, socially and spiritually.

Emotionally, many of our clients suffer from fear, irritation and anger. At Catholic Charities' shelters and community centers, staff listen and provide therapeutic counseling, helping to relieve some of the clients' stress and feelings of helplessness.

Mentally, many of our clients have anxiety, depression, lack of purpose, low motivation and few problem-solving skills. At Catholic Charities' job training programs, after-school tutoring, adult education, health and nutrition classes and case management services, staff encourage and advise the clients, offering ways to help them to enhance their mental skills and improve their motivation.

Socially, physical distancing causes feelings of isolation, withdrawal and loneliness in many of our clients. At youth services, programs for seniors, summer camps, Christmas and holiday programs, Catholic Charities furnishes welcoming social support that helps clients feel cared for and not so isolated.

Spiritually, many of our clients have lost hope, and cannot find meaning and purpose in what is happening to them. Staff provide compassionate service at our community centers and shelters, and also at programs such as Esperanza Immigrant Rights Project and Immigration and Refugee Resettlement, resulting in clients recovering their sense of resilience, trust, hopefulness and peace.

At Catholic Charities of Los Angeles, we are very grateful to you, our generous supporters. You empowered us to **Provide Help** for our clients, with the physical necessities of food, clothing and shelter, to **Create Hope** in our clients for a better tomorrow, and to **Enable Healing** of our clients, emotionally, mentally, socially and spiritually, during FY 2021-2022.

Children who are residents of Good Shepherd Shelter relax and enjoy the campus garden, a welcome respite from their previous experience with domestic violence.

Dear Friends of Catholic Charities:

In these challenging times, when economic insecurity and social unrest are rising, Catholic Charities continues to be a force for good and for God in Los Angeles.

Through its many programs, Catholic Charities is bringing hope to millions of our neighbors. It is no exaggeration to say that for many, the help we provide means difference between life and death. Many of the people we serve would simply “fall through the cracks,” were it not for our programs.

We all know the times are tough. And we know that they are getting tougher in many of the neighborhoods and communities we serve. In times of material poverty, spiritual poverty grows also. Our neighborhoods are seeing not only rising crime, violence, homelessness, and drug abuse; we are also seeing tremendous increases in mental health issues.

I am always humbled when I review this annual report. What Catholic Charities is able to accomplish — through the dedication of staff and the generosity of our donors — is truly amazing, a work of God.

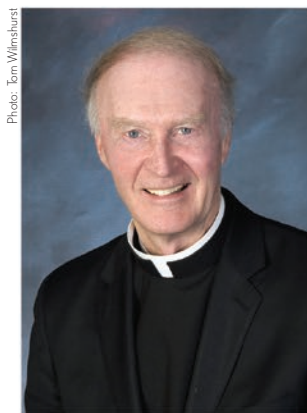

Catholic Charities is not just providing “social services.” Our work is a service of love. We do this work because the love of Jesus Christ demands that we love our neighbors as he loves us.

I am grateful to everyone involved in the mission of Catholic Charities, from our volunteers to our patrons. Thank you for everything that you are doing to bear witness to God’s love here in Los Angeles.

Entrusting you and your families and loved ones to the tender care of Our Blessed Mother Mary, I pray that God will grant you all peace and joy,

September 2022

Dear Friends of Catholic Charities:

Aristotle was a Greek philosopher during the Classical period in Ancient Greece. He once said, "We are what we repeatedly do. Excellence, then, is not an act, but a habit." Catholic Charities of Los Angeles strives for excellence, not in a single act but as a habit in serving our clients.

Catholic Charities of Los Angeles earned our seventh consecutive 4-star rating from Charity Navigator. This is their highest possible rating and indicates that we adhere to sector best practices and execute our mission in a financially efficient, effective and transparent manner.

Accreditation is the formal evaluation of an organization against accepted national standards. After a year and a half of a rigorous assessment by a third party, Council on Accreditation (COA), Catholic Charities was recently notified that we are, again, fully accredited. COA stated that our "organization is recognized as a provider that continues to successfully implement high performance standards and, as such, is delivering the highest quality services to all of the stakeholders."

Catholic Charities' purpose in striving to achieve high ratings and accreditation is to continuously improve our ability to serve our clients. A recent client success story concerns a mother and her children who became homeless when they had to flee from a domestic violence relationship. After the mother delivered her fourth child, she decided to make a change for the safety of her children. They applied and were accepted at Elizabeth Ann Seton Residence of Catholic Charities. The staff immediately provided them with a safe place to stay, counseling services, and notebooks, so the school-age children could attend classes online. Eventually, the family obtained permanent housing and began a new direction in their lives.

We are grateful for the generosity of our supporters who enable to make excellence a habit in our service to the poor and vulnerable in our communities.

God bless,

MAJOR DONORS

Since 1919, Catholic Charities has served the needy and impoverished residents of Los Angeles, Ventura and Santa Barbara counties by providing emergency food and shelter, case management and supportive services. All programs help to enable clients to become more self-sufficient.

With the financial support of individual donors, churches, foundations, corporations, organizations and federal, state and local governments, as well as in collaboration with other social service agencies, Catholic Charities of Los Angeles rendered almost 600,000 services during the past fiscal year (July 1, 2021 through June 30, 2022). Without the help of these dedicated partners, the human services' work of Catholic Charities could not continue.

WAYS TO SUPPORT THE WORK OF CATHOLIC CHARITIES

The work of Catholic Charities of Los Angeles, including our financial and service delivery practices, is externally validated by the Council on Accreditation. Our commitment to accountability and transparency is authenticated by our coveted Four-Star Charity rating from Charity Navigator, an independent charity evaluator.

Our community centers continue to witness a rise in the number of people who struggle to survive and who seek critical basic needs' assistance. While Catholic Charities has significantly developed its programs and services over the years, we still face considerable challenges in meeting our clients' growing population and needs. Here are some ways you can assist us in serving our vulnerable clients:

- ◆ **DONATE ONLINE** - Visit www.CatholicCharitiesLA.org and click the red "Donate Now" button to make secure online donations or explore the "How To Help" section to learn about easy ways to support Catholic Charities.
- ◆ **JOIN THE JOYFUL GIVERS CIRCLE** - Make a monthly pledge commitment as part of this group of dedicated contributors.
- ◆ **DONATE YOUR OLD VEHICLE** - Hand over the keys to your car, truck, R.V. or boat and Catholic Charities will receive 80% of the sales revenue. Call (855) 370-4483 or visit our website: www.CatholicCharitiesLA.org/donate-your-vehicle/.
- ◆ **HAVE YOUR EMPLOYER MATCH YOUR GIFT** - Contact your company's Human Resources Department to obtain a matching gift form.
- ◆ **MAKE A MEMORIAL OR TRIBUTE GIFT** - Honor someone special by making a donation in his or her name.
- ◆ **SUPPORT THROUGH PLANNED GIVING** - Give through wills and trusts, charitable gift annuities, life insurance, appreciated securities, real estate, cash and other property. Visit www.ccla.plannedgiving.org to discover the variety of charitable choices and calculate what works for you.
- ◆ **GIVE TO THE FUND FOR THE FUTURE ENDOWMENT** - Become a member of the Fund for the Future Society by contributing to Catholic Charities' long-term endowment. Through estate gift and life income programs, the endowment expands the agency's financial base so that it will continue to grow and meet the increasing needs of the communities Catholic Charities serves.

Client Jeffrey Scott relies on Catholic Charities' Santa Barbara Food Pantry to keep him supplied with food during difficult times. The Santa Barbara Community Services Center also provides financial assistance, counseling services and help for seniors with companion dogs.
