The Program Expense Ratio is determined by Program Expenses divided by Total Expense (average of most recent three 990s).

This measure reflects the percent of its total expenses a charity spends on the programs and services it exists to deliver. Dividing a charity's average program expenses by its average total functional expenses yields this percentage. We calculate the charity's average expenses over its three most recent fiscal years.

Impact & Results

This score estimates the actual impact a nonprofit has on the lives of those it serves, and determines whether it is making good use of donor resources to achieve that impact.

Impact & Results Score

Not Currently Scored

Catholic Charities of Los Angeles cannot currently be evaluated by our Encompass Rating Impact & Results methodology because either (A) it is eligible, but we have not yet received data; (B) we have not yet developed an algorithm to estimate its programmatic impact; (C) its programs are not direct services; or (D) it is not heavily reliant on contributions from individual donors.

Note: The absence of a score does not indicate a positive or negative assessment, it only indicates that we have not yet evaluated the organization.

PERFECT 100

HELP CENTER

The exceptional charities on this list execute their missions in a fiscally responsible way while adhering to good governance and other best practices that minimize the chance of unethical activities. Each has earned perfect scores in our Star Rating System for its Financial Health and its Accountability & Transparency. Those two scores then translate into a perfect 100 point overall score. Less than one percent of the thousands of charities rated by Charity Navigator have earned perfect scores.

We applaud these charities for exceeding industry standards and outperforming other organizations performing similar work.
