### Confidentiality Statement

State and federal law and regulations protect the confidentiality of client's records maintained by this program. What is discussed in group or to any program staff is confidential information and thus, information that cannot be discussed outside of the program. However, there are exceptions to the rule and information MAY BE SHARED WHEN ANY OF THE FOLLOWING SITUATIONS EXIST.

1. The client consents in writing.
2. The court orders to release information.
3. When there is a suspicion of child or elder abuse, state and federal law requires that all staff that work with children and families report to a child or elder protective agency.
4. Disclosure is made to medical personnel in a medical emergency, audit, or program evaluation.
5. When program staff believe that you are in danger of seriously hurting yourself or someone else, staff is required by law to take action to protect the intended victim.

I have read the above information and / or have reviewed it with staff member. I understand that under certain conditions, there are limits to my rights to confidentiality.
