

Because we believe wishes can come true.

In the spirit of the holiday season, we want to make Refugee Minors' first Holiday season in the U.S. special. On Friday, January 8, 2016 at 4:00 p.m., Esperanza Immigrant Rights Project will be hosting La fiesta de los Reyes Magos for unaccompanied minors and their custodians to celebrate with us!

We want to invite you to help us bring the Holiday Spirit to these children by sponsoring our event.

We are in need of food for the event, gifts for the children, and a grand prize to raffle off. Ideally we would like to have a gift for every child. You can chose to sponsor one child or as many children as you would like. We appreciate any help you or your company can provide!

We will begin collecting donations on:
December 1st, 2015 through January 6th, 2016.
