Since 1986, OASIS has helped make the "Golden Years" more enjoyable for seniors in the San Fernando Valley Region.
Older Adult Services & Intervention System (OASIS) is a social service program for home-bound seniors 65 years of age or older who are living independently.

Our goal is to help seniors remain independent as long as possible and avoid institutionalization by matching a trained volunteer with a senior in need.

We offer assistance to all older adults regardless of race, religion, or income level.

**OUR TEAM**

OASIS volunteers commit 1-4 hours a week to their senior. Volunteers provide seniors with services such as friendly visits and phone calls, transportation to appointments, information and referrals, light housekeeping, and help with errands.

If you are 18 years or older and are looking for an opportunity to give back and make a major difference in a senior’s life consider becoming an OASIS volunteer!
