

PRO BONO

Information Session

Esperanza is a public interest legal organization whose mission is to advocate for, educate, and defend the most vulnerable immigrants in the Los Angeles area. We provide direct representation and community education to unaccompanied children and adults in detention, who cannot afford legal representation.

Under the new administration, we will see more individuals placed into removal proceedings and detained, and reduced protections for immigrant children and their families. We are in **urgent need** of your assistance.

You can help! Become a pro bono attorney now!

- 1** WE IDENTIFY the most vulnerable clients with the strongest legal claims, and match them with pro bono attorneys.
- 2** WE PROVIDE pro bono attorneys with guidance, resources, trainings, and mentorship to ensure that they can confidently and zealously represent their clients.

Attorneys from all practice areas are invited to register for an attorney information session!
